Greetings!

On behalf of Academy of Pediatrics, Vadodara Gujarat, the Indian Child Abuse Neglect Child Labour (ICANCL) group, Indian Academy of Pediatrics it gives us great pleasure to invite you for **5th National Conference of ICANCL group (CANCLCON 2017) at Hotel Grand Mercure Surya Place, Vadodara, Gujarat, India on July, 29-30, 2017.**

The theme of the conference is **“Child Sexual Abuse: Prevention & Response”**. Pediatricians, doctors, nurses, & allied multidisciplinary professionals are often the first point of contact for abused and neglected children. They play an important role in the prevention and response to affected children and their families. Besides medical care, the physicians should be aware of the new legislation, the Protection of Children from Sexual Offences Act (POCSO), 2012, which makes reporting of abuse mandatory and defines guidelines for child friendly police and courts.

The principle aim of the conference is to raise awareness, sensitize and train all professionals on how to identify, address, treat and manage **“Child Sexual Abuse”** with a multidisciplinary approach. The opening day of the conference shall include a **Workshop on “Medical examination & management of Child Sexual Abuse for Medical Professionals”** by renowned international and national expert faculty. The subsequent day shall be dedicated to a **Training of Trainers (TOT) program** for general pediatricians and allied medical professionals.

The ICANCL group pledges to exert every future effort in collectively implement the principles of protecting UN child rights, prevention and management of child abuse and neglect in all settings in India. The interested and committed professionals shall continue to receive ongoing education through webinars & video conferencing for further intensive training to enable them to become local child abuse 'experts' in their regions.

Vadodara is the Cultural Capital of Gujarat, where all traditional festivals are celebrated in a unique way. Vadodara is also known as **Sanskari Nagari**, i.e. Cultured City and is the most sought after location for the dance style known as garba in the entire world. Since the vibrant historical era of Royal Gaekwad family; it has been a hub of Arts, Literature, and Architecture. Hence, it has also been bestowed the title of **“Kala Nagari”**.

The organizing committee looks forward to your active support, participation & contributions to the success of CANCL-CON 2017. We eagerly wait to provide you warm welcome, fond memories & friendship.
